FINANCIAL POLICY

We appreciate you choosing Lake Country Dental for your family's dental care. At Lake Country Dental, we value our relationship with our patients and would like to offer the following as our payment policy:

If you have dental insurance, we will be happy to help you receive the maximum benefits available under your policy. However, please realize that the relationship is between you, the insured and your insurance company. If we do not receive payment from your insurance company within six weeks after submission of a claim, you will be expected to pay for all dental services in full. In the event of duplicate payments, your account will be reimbursed.

- A finance charge will be added to your account on any balance not paid by you or the insurance within six weeks from the date of service.
- Once the treatment plan and the estimated insurance benefits are reviewed with you, we require that you pay your portion in full at the time of service.
- For appointments that require the dentist to spend two or more hours with you during your appointment, a credit card will need to be provided to hold your appointment.
- For your convenience we accept cash, Visa, Master Card, Discover, American Express, and debit cards. We also offer Care Credit. Any Interest Free payment plans may include a financial planning fee.
- When impressions are taken for any restoration or appliance, the full fee is due when the appliance is ordered.
- Please note that the parent or guardian bringing the child into the office on the day of service will be expected to pay for services rendered. Only if payment arrangements have been made prior to appointment will we continue to see the child for treatment.

I have read and understand the payment policies for the office:
